Significant Value-Add for Delegates:

Attendees are required to take John Mattone's proprietary Mattone Leadership Enneagram Inventory (MLEI) assessment, which John utilizes in his coaching work with CEO's and government leaders all over the world. Steve Jobs took the MLEI in 2010, which led to his coaching work with John Mattone. Over 10,000 global leaders have now taken the MLEI.

The MLEI takes less than 15-minutes to complete and you will receive an immediate MLEI report detailing your leadership profile, strengths and development needs.

TESTIMONIALS

"Mr. Mattone is a masterful speaker who engages and captures his audience and shepherds the exploration of undiscovered aptitudes. He delivered his powerful message with unmatched style, which impacted me deeply. He created an enduring awareness of my inherent talents which I continue to use to fuel my personal and professional growth."

– Fabio Potenti, MD, Chief Medical Officer (CMO) & Chief Administrator, Cleveland Clinic

"I strongly recommend John Mattone as a thought expert and speaker in the area of leadership development and talent management. John possesses incredible insights, and a unique perspective, with regards to cultivating talent within an organization. Moreover, John is a highly engaging speaker and presents these concepts in a new and refreshing way. Thank you John for all your support and we look forward to a continued relationship with you in the future."

– Paul J. Cortissoz, Executive Director, Learning & Development, Columbia University

"We are writing to highly recommend John Mattone as a speaker who can increase any audience's brain activity. We had the privilege of attending his training session on "Succession Management" and his program was not a flash-bang-wow forget it tomorrow session, but one that caused us to stop and think—with plenty of substance and energy. Our overall evaluation was outstanding and John Mattone did a fantastic job—we highly recommend him."

– Talent Management Team, United States Environmental Protection Agency

"Dear Professor John, We would like to thank you for delivering an excellent seminar to our senior executive team! Everyone enjoyed and benefited from this event! We will advise you soon for our next event which will be related to leadership coaching. Again, thank you!"

– Dr. Mohammed Ahmed Al Yassi, Head of Training, Al Hosn Gas, Abu Dhabi, UAE

"John is able to deliver a powerful message, but in a funny and logical manner. He motivates people with his dynamic yet, sincere, style...a year later, both our executive and employee groups reference John Mattone's presentations as being the most important step we have taken to unleash our individual and collective talents...."

– Ekkehard Grampp, Former CEO, Rohm Tech, Inc. (DOW, Inc.)

"John Mattone is one of the best, if not the best, speakers in the field of human resource management. We hired John multiple times at my previous company and he always delivered leading edge thoughts and ideas—in an incredibly energizing and fun way..."

– David Irons, American Beverage Corporation

"John Mattone's Stealth Leadership Model is a great way to integrate leadership development, succession planning and strategic workforce planning efforts within an organization. John does a fantastic job describing it in easy terms yet conveys its powerful ability to drive desired results. John's energy, humor and content are engaging!"

– Vice President Talent Management, Kohls

"We found John Mattone to be a powerful speaker. His message and content was thought provoking, inspirational and he gave our team useful tools and ideas that could be implemented immediately..."

– Allied Van Lines Convention Committee
